A Gay Man's Guide to Dogs

By Andrew DePrisco • Illustrated by Jason O'Malley

Focusing his “queer eye” for the dog world, author Andrew DePrisco celebrates the love affair gay men have with their canine partners. This satirical and over-the-top guidebook advises gay men on how to select the most fabulous dogs for them based on their personalities, preferences, and lifestyles. The author describes 28 “breeds” of gay men and connects each guy with the dog breed right for him: from cowboys and farm boys to bears, drag queens, and fashionistas. *Woof!* humorously examines how a gay man's life is enhanced and altered by choosing to share a home with a dog.

Andrew DePrisco has written more than a dozen books on dogs, including *Choosing a Dog for Life*, *Training the Perfect Puppy*, and *Canine Lexicon*. Illustrator Jason O'Malley is a New York artist who also illustrated *Off the Cuff* by Carson Kressley and is the designer for Handsome Devil Press.
